

ROGO 217 US (10309708)REMARKS

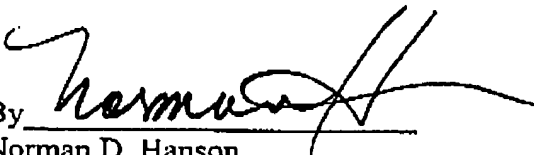

Entry of the amendment is requested.

Claims 10-14 and 18 will be pending. Claims 10 and 18 are amended herein, to delete reference to 2-aminothiolane-HCL.

None of the art relied upon by the Examiner teaches or suggests the use of N-succinimidyl-S-acetyl thioacetate in DMF, as claimed. The absence of teachings or suggestions of this render the rejections untenable.

Allowance of this application is believed proper, and is urged.

Respectfully submitted,

By
